

GARÇONNE

Carlo Colombo,

Carlo Colombo, a leading figure in the new generation of Italian architects, brings a clear-cut and glamorous touch to the Driade home. Garçonne, whose structure is fully covered with precious leather, is a sofa that boasts wide and generous shapes; its soft and large cushions in leather or fabric are bounded by slim, gently curved armrests. Completed by the armchair, Garçonne is a luxury item, a fully-fledged protagonist, designed for people who love meeting friends and relaxing with their family.
