

TEN

Naoto Fukasawa,

"After calling the small armchair Ten (sky in Japanese), I thought it might be natural to name the small table Ci, which designates the surface of the earth. The bond between Ten and Ci, sky and earth, was instinctive." Naoto Fukasawa. The armchair Ten, which is cozy and comfortable, matches the small chair Ci, creating a lounge area that harmoniously blends into all interiors, from classical to metropolitan."

Structure in flexible polyurethane foam and metal insert. Feet in solid mahogany wood or solid ebonized ash wood. Cushions in variable density rubber. Fabric removable and leather fixed cover. Indoor use only.
