

## BLOCCO

Nanda Vigo,

In a room for the well-being many elements called "furniture" are necessary that actually once set remain "fixed". I always reject the tendency to overload the space; therefore I have always worked to the limit of need. – N.Vigo. The seat "Block" born with this aim in 1970 is now reedit with the same function but with a greater spirit of joy in the choice of covers. Good seat!

Pouf with wooden frame and padding in polyurethane foam of varying density. Upholstering in faux fur fuchsia colour. Indoor use only.
