

CINEMASCOPE

Philippe Starck,

"If all presidents and kings in the world had an exceptionally comfortable armchair like Cinemascope, can you imagine how their ideas, conversations and decisions would change? Cinemascope is the armchair that can save the world." Philippe Starck. Cinemascope has a wide comfortable seat. Standing on a stainless steel swivel base, it has a swinging mechanism. Removable fabric or leather cover. The back and seat can be upholstered with different fabrics, allowing wide room for customisation. Cinemascope comes with a square foot stool ottoman designed to complement the armchair but perfect to be used alone.

Swivel armchair with rocking mechanism. Brushed stainless steel base with adjustable feet. Polyurethane foams and goose feather padding. Fabric removable and leather fix cover. Indoor use only.
