

REVER

Ludovica e Roberto Palomba,

Rever features plump, generous curves and proportions. The original way the armrests are fitted - a fundamental feature of this sofa - is paired with special attention to detail: the slightly padded edge looks as if it comes from a fashion house because it is inspired by the lapel of jackets and the flap of pockets. Rever is an extremely versatile sofa. The large day beds and the comfortable poufs make it perfect for moments of enjoyable togetherness and play.

Wooden frame with elastic belting and padding in polyurethane foams with different densities. Removable cover in fabric or fixed in leather. Indoor use only.
