

## MINGX

Konstantin Grcic,

The design of the Mingx collection comes from the same tubular profile that also inspired the Zigzag bookcase, and is developed into a wide family of elements: seats and stools, which establish a harmonious reciprocal dialogue that also extends to the library. The name Mingx clearly refers to the Ming dynasty that most influenced the progress of Chinese culture, turning China into the heart of Eastern trade.

Structure in printed steel sheet and rod polyester painted. Feet in abs. Leather seat. indoor use only.
