

ZIQQURAT

DriadeLab,

In 2020 Driade, the aesthetic laboratory par excellence, proposed an expansion of the Ziqqurat collection in the iconic patterns: romantic in the floral version with tassels or pop in the white and black geometric version with black handle. The collection is therefore enriched with new 'must have' pieces that are added to the three-heighted modular container and to the vertical one: small cabinet and extra small cabinet designed for a contemporary living space and lifestyle. In addition, the classic Ziqqurats are offered in the floral pattern combined with the new teal lacquered finish for the legs, with teal tassel.

Cabinet in bi-laminate. Striped pattern white and black made by digital printing. Inner parts in black laminate. Elements with doors and removable inner shelf. Drawers with shock absorbing closing system. Ground supports are made of glossy black lacquered mdf. Indoor use only.
