

## THE WHITE SNOW KINGYO - BOWL SET

Antonia Astori, Vittorio Locatelli,

Extraordinary decorations signed by Lorenzo Petrantoni enrich the iconic The White Snow Collection. For Driade, the Genoese artist draws on the nineteenth-century graphic repertoire for a plate set characterized by his expressive language. Petrantoni is a multifaceted and unsettling artist, illustrator and art director. Influenced and fascinated by 18th century engravings and graphics, he combines these elements in his illustrations and videos. His primary sources of inspiration are the books and dictionaries of that period, to which he gives new life through his splendid contemporary inlays.
