

## FRAMMENTI

Borromeo & De Silva,

Frammenti is the name of the new collection designed by Borromeo De Silva studio for Driade. A collection of 4 boxes with fragmented outlines." 4 pieces of a fragmented whole, perfectly matching ". Like a three dimensional puzzle, these boxes can be pull together to infinity, to create multiple geometries. Thanks to their elegant design and dimensions, Frammenti become perfect boxes to suit every ambient.

Box in aluminum with mirror finish and wood inside.
