

GAZELLE

Park Associati,

A table that plays on an apparent imbalance, supporting a strongly materic top, by a sequence of two structures placed in a totally unpredictable way. Built as parallelepipeds and fixed either perpendicularly or parallel to the surface, the two base frames are configured rather like a "vacuum" that seems to let the top raising into the air.

Painted tubular steel structure. Mdf top th. 40 mm. in cement finish.
