

LORD YI

Philippe Starck,

Successful completion to the generous shapes of the famous Lord Yo easychair, Lord Yi table is surprising for its simplicity and the clear composition of the parties, deliberately signaled in his tripartite division of base, shaft and top.

Grey painted aluminum base and grey anodized aluminum column. SAN top with a surface finish hand made shaving a spatula of a colored clay-based compound. The nuances of the manual application characterize the aesthetics of the product. The final treatment makes the product water-repellent and stain-resistant. Available in the colors: champagne, ivory, anthracite grey and red. Indoor/outdoor use. A 9 Kg. cement counterbalance can be available on demand (code D17430O451154).
