

THE WHITE SNOW KINGYO - BOWL

Antonia Astori, Vittorio Locatelli,

The fishes designed by Vittorio Locatelli dart in the plates by Antonia Astori. The colors are different from each other, white, black, blue-ocean, completely covered with tiny goldfishes or disturbing larger fishes. A dinner service in which you can admire an aquarium, fascinated by the life that takes place there, in silence.

Bowl in white porcelain with marine decorations Ø 21 cm, H. 10,8 cm.
