

LOU EAT

Philippe Starck

SKU: D73121A050

Lou Eat and Lou Speak, along with Lou Read, form the Lou family, a series of seats with sculptural, plastic forms. Lou Eat is the simplest and most versatile of the collection; a leather-upholstered armchair, it's designed as a dining room chair but is also perfect as a standalone centerpiece. "Lou Eat is not a chair; it's an animalistic sculpture that could eat you." Philippe Starck
