*Becchelli, Bortolani, Maffei*

SKU: D11609M377001

Erbale is undoubtedly one of the longest-running designs in the driadestore catalog. Designed in 1995, it actually represents a “typological invention”: never before had a “tent-screen” constructed with alternating plastic bags for plants and water been seen. Over time, Erbale has also become a symbol of the emergence of a new generation of Italian designers.
